Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

How do the diets of different animals vary?

Animals have different diets depending on what they eat. Some animals are herbivores, which means they eat plants like leaves, fruits, and vegetables. Examples of herbivores are cows, rabbits, and elephants.

Other animals are carnivores, and they eat meat. Lions, tigers, and eagles are examples of carnivores. Then, there are animals called omnivores, which means they eat both plants and meat. Humans, bears, and pigs are examples of omnivores.

You must:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Monday morning (starting next week). We have also added the first words from the Year 3 and 4 common exception word list.
- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Wednesday and due the following Wednesday.
