

Peek at the Week

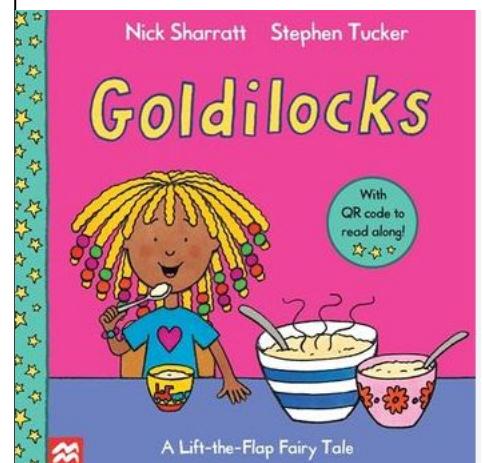

This week in Reception we have been to Drawing Club! We learned lots of new words with actions and read the story 'Goldilocks' by Nick Sharratt. In Drawing Club, the children drew pictures including a map for the Three Bears to use to help find Goldilocks and a present from Goldilocks to say sorry.

In Maths we have been exploring length and height using the words 'short, shorter, long, longer, tall and taller'. The children really enjoyed walking around the school to compare different lengths of objects we found on our way around.

Can you remember the actions for our new words for this story?

What actions are the children doing here?

Our new words this week were:

Journey, devour, slumber, piping hot, frosty, uneven, perfect, cramped.

Can you use our new words when retelling the story of Goldilocks and the Three Bears?

Baby Photos

Next week we are looking at how we change over time. To do this, we are going to look at our own baby photos.

Please can you send in or email your child's teacher with a baby photo of your child by Tuesday at the latest.

Empty cans needed!

Please can you send in any empty cans (400g) as the children will be using these to create a bug hotel in Forest School. Can we have these in before Friday 1st March if possible - thank you. **Please make sure there are no sharp edges.**

Dip and Do

As we have been learning about length, can you go on a hunt around your house and find things that are long or short.

We also learnt about the words we use to describe height so, maybe you can find things which are taller than you or shorter than you?

The children are loving their Mystery Readers!

Mystery Reader!

Come and read to your child's class at the end of the day. Any member of the family can come and the children love it! If you would like to volunteer please secretly talk to or email your class teacher. **Remember –**

DON'T TELL YOUR CHILD! This is to be a surprise for them too!

Important Dates

Inclusion Day 29th Feb: Non Uniform Day

Non Uniform for Mother's Day Donations Friday 1st March: Children can wear their own clothes to school and in exchange please donate anything you would feel would make a nice gift for the Mother's Day Shop. Please remember we are a **nut free school** if donating any food gifts. Please leave any donations in the trolleys outside school entrances. Thank you.

FODS Mother's Day Shop 4th & 5th March: Please pay on Gateway (£2). All children who have paid will be taken to the shop during the school day to select a gift of their choice.

World Book Day: Thursday 7th March

Contacts

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.

Mrs Annabel Glover-EYFS lead/Nursery aglover13@suttonmail.org

Miss Rhian Lilley - Silver Class rlilley2@suttonmail.org

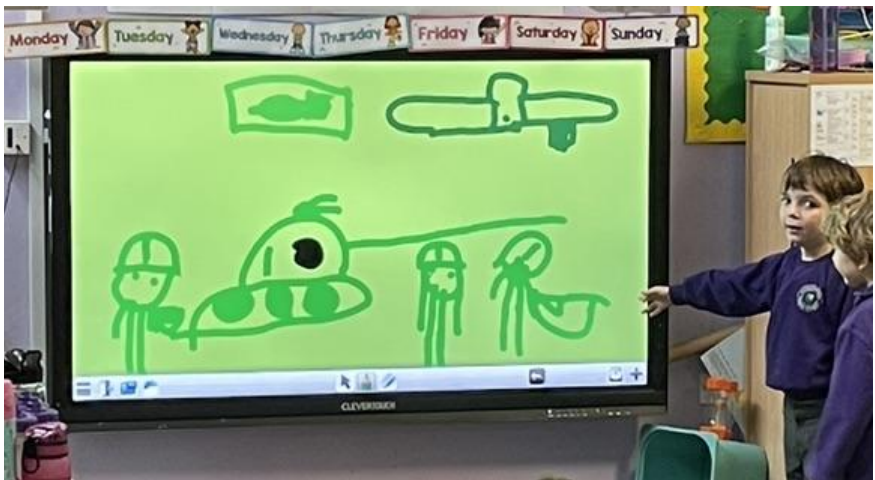

Mrs Tammy Rich- Bronze Class trich18@suttonmail.org

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Can you make a tall/short tower?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What have you been creating this week?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

**What did we find in the pond?
What will the eggs turn into next?
How can we use a handsaw safely?**

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

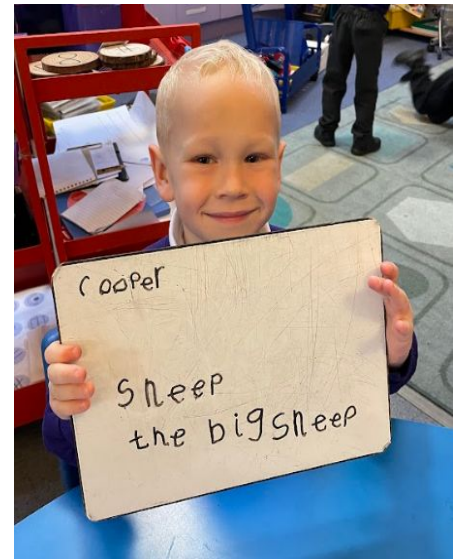

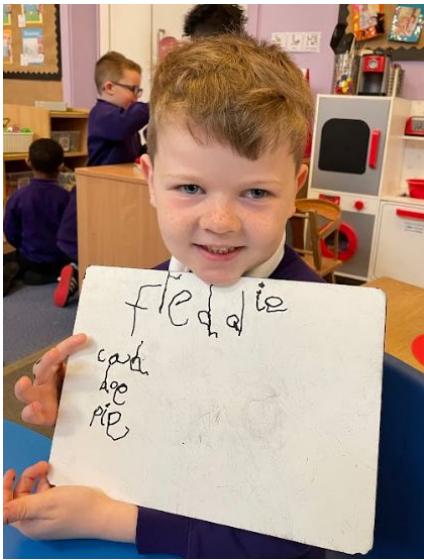

What is the difference between the 1 week old frogspawn and the two week old frogspawn?

The children were happy when they sawed all the way through!

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What graphemes can you see?

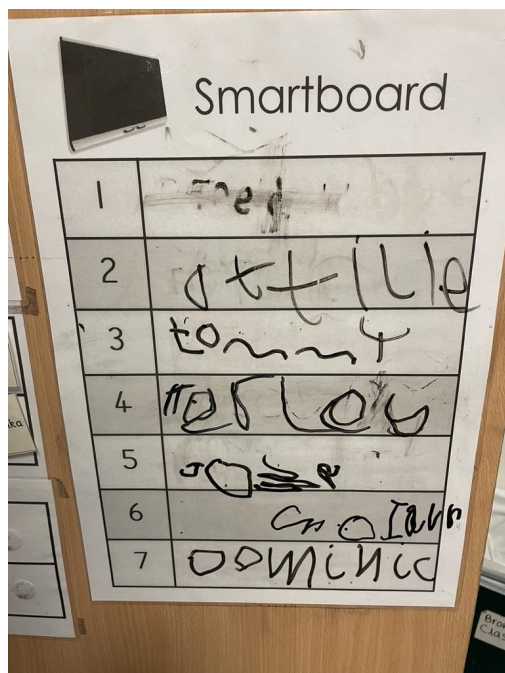

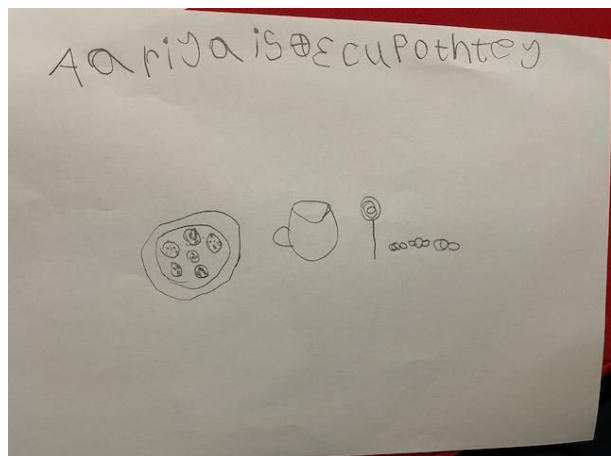

What could Goldilocks do to make the three bears happy again?

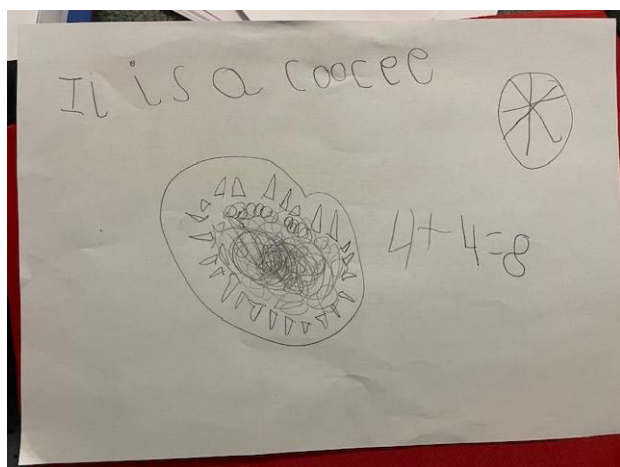

What could you use to make a den?

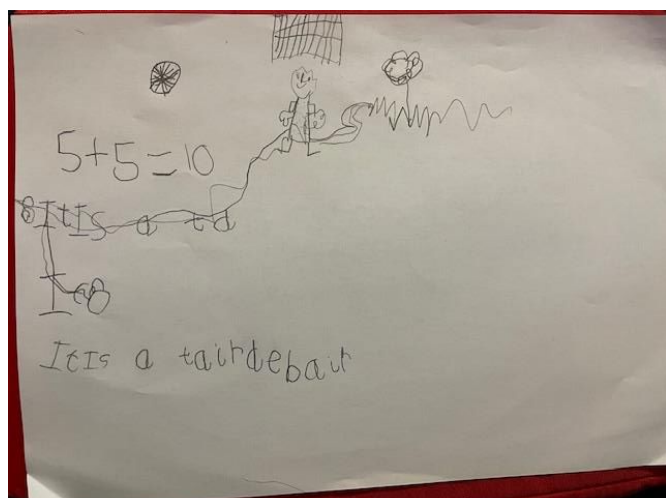

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

We need to write out names up to have a turn on the Smartboard.

What could Goldilocks do to make the three bears happy again?

Can you all get on?
