Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Why is light from the sun dangerous and how can we protect our eyes?

Sun exposure over time can cause cataracts (clouding of the eye lens, which leads to blurred vision) later in life. The best way to protect eyes is to wear sunglasses that provide 100% UV protection.

Spring 2 Week 1

You **must**:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Monday morning (starting next week). We have also added the first words from the Year 3 and 4 common exception word list.
- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Friday and due the following Friday.
