

Peek at the Week

How to Get There

We have had a very busy week in Reception! Following on from transport last week, we explored how we get to school and drew maps of our journeys. We practised using directional language by going to Mrs Bell's Office and describing how to get back to our classrooms. We learnt that our school is in Worcester Park and we discussed the different things we see on our journeys which include: parks, bus stops, shops and the large Willow Tree at the front of school. We found our school on a large map and we talked about how maps help us to find out where we need to go.

In Maths we have learnt about the numbers 9 and 10 using a 10 frame. We also found what smaller numbers we can put together to make 9 and 10.

On World Book Day we dressed as our favourite characters. We were lucky enough to go on a Zoom story-time call with Laura Henry-Allain, who wrote Jo Jo and Gran Gran. We found out that she named Jo Jo after herself because her middle name is Josephine.

Dip and Do

Next week are exploring Space!

Discuss with your child:

Could you live on the Moon?

How would you get there?

What would you pack in a bag to take with you?

Empty Plastic Bottles Needed

Please collect and bring in any clean, empty plastic bottles you have. The children are going to use these to make rockets and space suits. Thank you.

Mystery Reader!

Come and read to your child's class at the end of the day. Any member of the family can come and the children love it! If you would like to volunteer please secretly talk to or email your class teacher. **Remember –**

DON'T TELL YOUR CHILD! This is to be a surprise for them too!

Important Dates

Parents' Evening: Wednesday 20th and Thursday 21st March.

Last Day of Term: Thursday 28th March. Children finish at 1:30pm

Contacts

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.

Mrs Annabel Glover-EYFS lead/Nursery

Mrs Tammy Rich- Bronze Class

trich18@suttonmail.org

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What is the name of the flower we painted this week?

Why are our parents/carers important? Why do we celebrate Mother's Day?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What other ways can you make 9?

What did you make? How did you make it?

Can you do a somersault / roly poly / forward roll?

Throw the dice and walk that number of steps around the 10 frame. A game made up by the children.

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

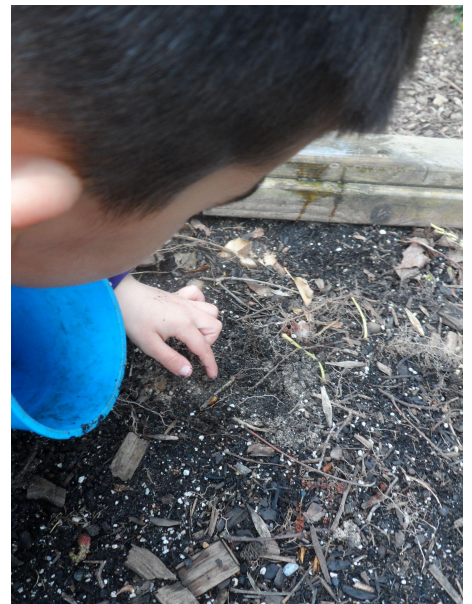

**Will it sink or will it float?
Taking advantage of the
puddles to do some science.**

**Gymnasts in the making! Doing a
forward roll on a rope.**

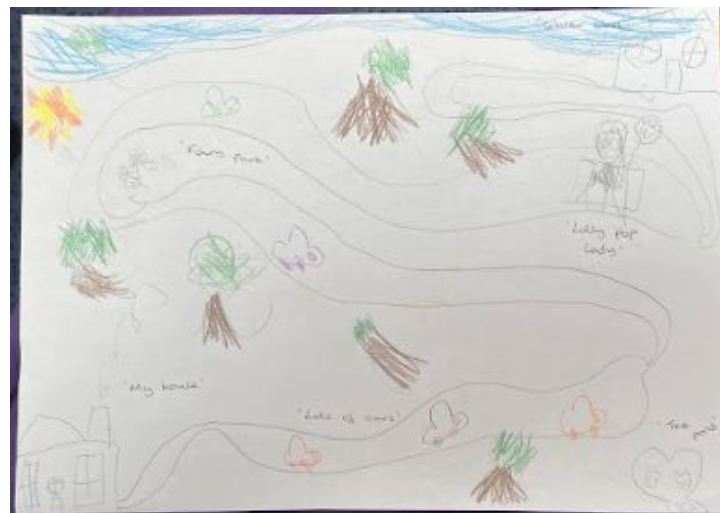

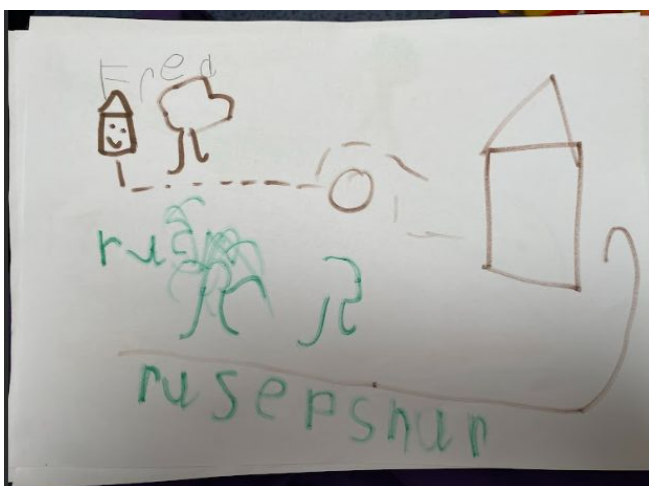

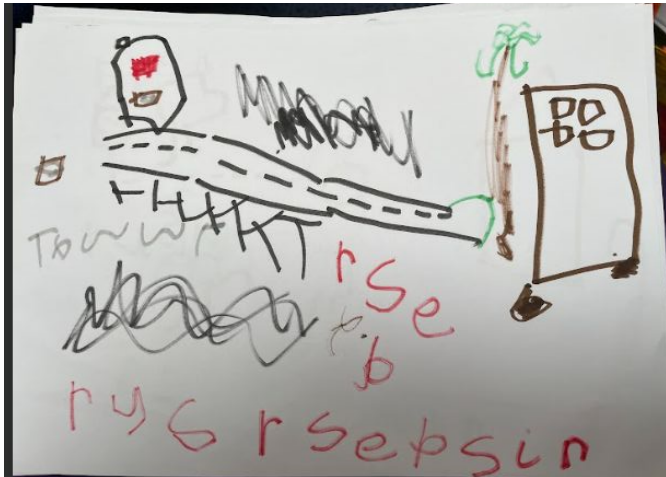

**Have you signed up to be a Mystery
Reader yet?**

**How does a worm go
into the soil?
Watching it go!**

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Just a few of the amazing maps that the children drew, of their journey to school. Can you describe your journey to school? What do you see on the way? What kind of tree is at the front of the school?

What a fabulous time we all had on World Book Day!

Can you name the different characters that you can see?

Do you know what happens in their story?
