Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Identify and describe physical features of North Africa? Can you compare these with the UK?

North Africa has hot deserts, and the River Nile, the longest river in the world. The Atlas Mountains also spread across the top of North Africa. While in the UK, we have smaller rivers but more of them and we have a few smaller mountain ranges. The climate in the UK is temperate and generally much cooler and rainier.

A summary of next week:

You **must**:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday but you must have your reading folder in everyday.

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Friday and due the following Friday.
