

Peek at the Week

Whatever Next

This week in Reception we have been to Drawing Club! We learned lots of new words with actions and read the story 'Whatever Next!' by Jill Murphy. In Drawing Club, the children drew pictures including what Baby Bear might find on the Moon and different ways he could travel there.

In Maths, we have been learning how to make doubles. We have also been practising different ways to make numbers to 10 using ten frames.

We found out that it takes 4 whole days to get to the Moon! We also discovered that there is no gravity in Space. Can you remember why plants cannot grow on the Moon? What would you have to wear if you travelled to the moon and why?

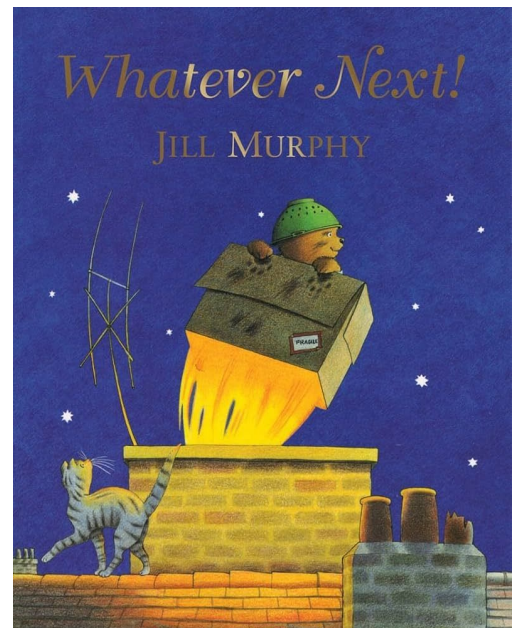

Can you remember the actions for our new words for this story?

Our new words this week were:

Ascend, rummage, voyage, soared, pouring, filthy and imaginary

What actions are the children doing here?

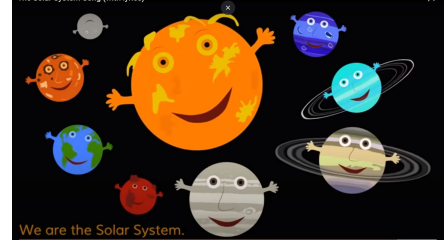

Dip and Do

The children have listened to this song this week. Please listen to the song again at home:

<https://www.youtube.com/watch?v=F2prtmPEjOc>

We will continue learning about the Solar System next week. Do you have anything at home that is powered by the Sun? For example, an outdoor solar light. If so, please take a picture and either email or send it in to your teacher.

3D Shapes

Next week we will be exploring 3D shapes. If you have any packets or boxes that are unusual shapes - prism, cone, sphere etc. They would be very useful to us. **(Nothing that has contained nuts please).**

Empty Plastic Bottles Needed

Thank you for the bottles we have received. Please continue to collect plastic bottles and bring them in. Thank you.

Mystery Reader!

Come and read to your child's class at the end of the day. Any member of the family can come and the children love it! If you would like to volunteer please secretly talk to or email your class teacher. **Remember –**

DON'T TELL YOUR CHILD! This is to be a surprise for them too!

Important Dates

Parents' Evening: Wednesday 20th and Thursday 21st March.

Last Day of Term: Thursday 28th March. Children finish at 1:30pm

First day back after Easter break: Monday 15th April

Contacts

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.

Mrs Annabel Glover-EYFS lead/Nursery
