

Peek into next week Year 1

Things to know for the next week:

- ★ Next week, we will be making rain gauges so please could each child bring in an empty plastic bottle (any size is fine) so that they can take part in the Science experiment.
- ★ Thursday 2nd May is polling day so the school will be closed for every year group except Year 6.
- ★ We would really like to invite any parents who are available to come and support us with hearing children read. If anyone has any availability at any time in the school day, please could you let your child's class teacher know as we would greatly appreciate support to hear your children read as much as possible.
- ★ Both classes PE days are now Tuesday, Wednesday and Friday so please could children come to school wearing full PE kit on these days.

Year 1 Home Learning - Dip and Do

Spring 2 Week 1

You must:

- Read daily at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Wednesday and due the following Wednesday.

Gold

Write a description of your favourite toy using as many adjectives as you can.

Silver

Go on a shape hunt around your home. Can you draw and name all the shapes you could find?

Bronze

Tell someone at home a story. Can you use different voices for the different characters?

Don't forget to complete 16 Reading WOWs this year for your chance to be awarded The Platinum Reading Award! This could be a shoebox scene from your favourite book or a video of you retelling the story. Anything that you think would make your teacher say WOW!
