Enquiry Question of the week

Each week we will post an Enquiry Question from the week's learning alongside the answer we would expect. Ask your child the question and see how close your child is to answering the question fully. If they are finding it tricky, break down the answer together and see if they can work on learning more at home.

Q: What do different plants need to grow in different habitats?

A: Different plants need different things to grow because they live in different places. In rainforests where it's always wet and humid, plants have lots of leaves to catch sunlight. In hot deserts where it's very dry, plants have special roots to suck up water from deep underground

A summary of next week:

SPAG: Ambitious adjectives e.g. majestic rather than good, glistening rather than shiny

English: Descriptive writing about the Firework Maker's Daughter - using ambitious vocabulary, fronted adverbials

Maths: Capacity - comparing and adding and subtracting measurements in litres and ml

History: What were the different religious beliefs during the Shang Dynasty?

Science: None due to Polling Day

Year 3 Home Learning - Dip and Do

Spring 2 Week 6

You **must**:

- Read daily at home for at least 20 minutes and record this in your diary. Diaries are checked on a Monday but you must have your reading folder in everyday.
- Learn the weekly spelling words which are sent home and assigned on Spelling Shed. You will be tested every Monday morning (starting next week). We have also added the first words from the Year 3 and 4 common exception word list.
- Practise your quick recall of the Timestables on TTRockstars at least 3 times a week.

Please Dip into these tasks. You do not have to do all 3 each week but of course you can if you want to! Tasks are set every Friday and due the following Friday.
