

# Peek into next week Year 1

## Things to know for the first week back after half term:

- ★ Monday 3rd June is an INSET day so the school is closed for children.
- ★ We would really like to invite any parents who are available to come and support us with hearing children read. If anyone has any availability at any time in the school day, please could you let your child's class teacher know as we would greatly appreciate support to hear your children read as much as possible.
- ★ Both classes PE days are now Tuesday, Wednesday and Friday so please could children come to school wearing full PE kit on these days.

## Enquiry Question of the week

**Q:How does the amount of sunlight and temperature change throughout the seasons?**

A: During Winter months, it is usually colder and is more likely to have ice and snow. Spring starts to get warmer and we have rain, more sun and new plants growing because it's warmer. In Summer, we have lots of warmth because we have more sunlight through the day. In Autumn we start to get less sunlight in the day and it gets colder again. The leaves fall from the trees and plants wither.

## A summary of next week:

**Phonics:** Revision and assessments.

**Reading:** Little wandle reading groups x3.

**Writing:** English writing assessments.

**Maths:** Recognising coins and notes and their value.

**Art:** Investigate how to mix secondary colours.

**Science:** What plants are growing in our school?

**PSHE:** Understand how to be safe around roads.

## **A weekly overview (subject to change)**

Monday	INSET day.
Tuesday	PE kit worn in school for both classes.
Wednesday	Full PE kit to be worn for both classes. Forest school so please wear weather appropriate clothing.
Thursday	Little Wandle book change.
Friday	Full PE kit to be worn for both classes.

**Reading folders should be in school every day and taken home every evening.**

## Year 1 Home Learning - Dip and Do

### Summer 1 Week 6

**You must:**

- Read daily at home and record this in your diary. Diaries are checked on a Friday but you must have your reading folder in everyday.
- Practise your quick recall of number bonds on Numbots every week (logins are in the front of reading records).

**We will be sending home a phonics booklet for home learning over the half term. As our phonics check is only a couple of weeks away, we would really appreciate your support to encourage your child to do this over the half term.**

**Don't forget** to complete 16 Reading WOWs this year for your chance to be awarded The Platinum Reading Award! This could be a shoebox scene from your favourite book or a video of you retelling the story. Anything that you think would make your teacher say WOW!
