Enquiry Question of the week

Q: Can you explain how your body takes in O₂ and gets rid of CO₂?

A: Animals inhale oxygen into the body and exhale waste in the form of carbon dioxide.

A summary of next week:

Writing: Story based on the mystery of 'Flannan Isle'

Maths: Problem solving

Science: How the lungs work

RE: Marking special moments with ceremonies

Computing: Scratch, variables

A weekly overview (subject to change)

Monday	PE kit day
Tuesday	Uniform Day
Wednesday	PE kit day
Thursday	Uniform Day Reading Diaries to be handed in Homework checked
Friday	Uniform Day

Reading folders should be in school every day and taken home every evening.

Year 6 Home Learning - Dip and Do

Summer 2, Week 1

You **must**:

- Read a minimum of 7 times at home for at least 20 minutes and record this in your diary. Diaries are checked on a Thursday but you must have your reading folder in everyday.
- Times Table Rock Stars - 20 minutes on Garage
- Century - Science - Circulatory System
- Spelling Shed - mathematical vocabulary

Please Dip into these tasks. You do not have to do all 3 of the tasks below each week but of course you can if you want to! Tasks are set every Friday and due the following **Wednesday**.

Gold

Write a poem based on the sea. This could be either a rough, stormy sea or a calm, peaceful sea. Feel free to illustrate the poem too.

Silver

Create a postcard from the seaside. Include a picture and a message from a day at the beach.

Bronze

Research one of the world's oceans and present at least 10 facts about it, as a poster.

Spelling words to learn: (starting next week)

Our spellings are mathematical words . For example: parallel, perpendicular, multiplication etc

Don't forget to complete 16 Reading WOWs this year for your chance to be awarded. The Platinum Reading Award. This could be a letter to the author, a poem based on the book, a comic strip, a painting, a book review... anything related to the book which your teacher would say WOW to!
