Friday 14th June 2024

Peek at the Week

Sports Day

The weather stayed fine and so, on Wednesday morning, Reception had Sports Day. We practised some of the events in our outside area. We read a story called 'The Sports Day', by Nick Butterworth and Mick Inkpen which prepared us well. On the day we ran fast, we threw well and we all had a good time competing in the events. Can you remember which events you did? What was your favourite game?

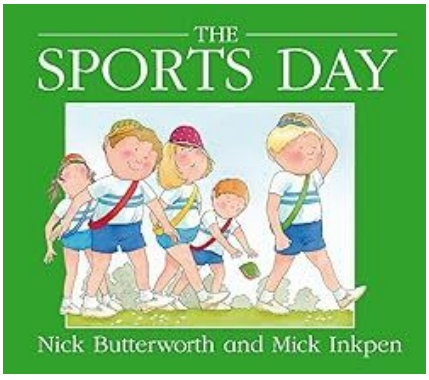

Also this week, we were challenged to make a boat to carry a real gingerbread man across the river. We used a variety of materials and tape To secure it all together. Some of the boats Were more successful than others. Can you Remember why? What worked best - cardboard or plastic?

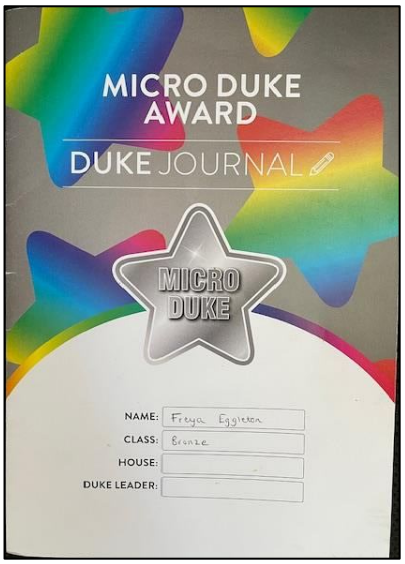

In Maths we have been learning about grouping - If there are twelve apples, how many groups of two can you make?

And our caterpillars are continuing to grow. Do you know what's going to happen to them next?

Micro Duke Award

Each week, we will send two challenges from the Micro Duke book, for the children to complete at home. If you would like to complete more than 2 a week, please let your class teacher know and we will email you more challenges.

THe Micro Duke is an award aimed at helping children become more independent and confident in dealing with new situations.

If you complete the award, you will receive a badge and a certificate and will be able to attend the Duke Gala Party later this term!

We will send the challenges on School Comms. If anyone would like the challenges or your child's photos printed out at school, please let your class teacher know.

We are aware that some children are completing the challenges using the booklet but we are also aware that some families cannot locate their booklets so we are going to help.

This week we are sending **Exercise** and **Independence**.

7 challenges are needed to complete the award.
Closing date for this year is 8th July.

Please consider taking part - the children who are doing it are so proud of their achievements.

Important Dates

Monday 24th June - Non uniform day in exchange for bottle contributions for the School Fair

FODS Summer Fair: Saturday 29th June 12pm-3pm

Trip to Bocketts Farm Park: Tuesday 9th July

Last day of term: Tuesday 23rd July

Live Maths Meeting - Wednesday 19 June - 2:45pm

Come to class and see all the lovely Maths that we have been learning this year! The children take part in regular Maths meetings which we would like to share with you.

Early Birds - Summer Home Learning Ideas Tuesday 2 July - 8:30am - 9:15am

Come with your child in the morning and join them in different activities. This may give you some ideas of things to do with them in the Summer Holidays.

Mystery Reader

If you would like to volunteer as mystery reader please talk to or email your class teacher. Silver Class have not got any mystery readers for the first few weeks in June and would appreciate any volunteers - thank you!

Remember to not tell your child so it is a nice surprise!

Contacts

If you would like to contact any of us by email. We will reply as soon as possible within school working hours.

Mrs Annabel Glover-EYFS lead/Nursery
aglover13@suttonmail.org

Miss Rhian Lilley - Silver Class rlilley2@suttonmail.org

Mrs Tammy Rich- Bronze Class trich18@suttonmail.org

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What was your favourite part about Sports Day?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What a fabulous day we had on Wednesday!

Who do you think ran fastest - The parents or the children?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Have you seen the new construction yard? There is lots to investigate and some great walls have been built.

Do you know what all the different vehicles are for?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

Nothing to see here! Do not know what these children are making. Can you remember what you were making? Shh until Sunday!

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

This week we had a challenge: to make a boat for the gingerbread man to sail safely across the river. Did you keep your gingerbread man safe? What happened when he got wet?

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

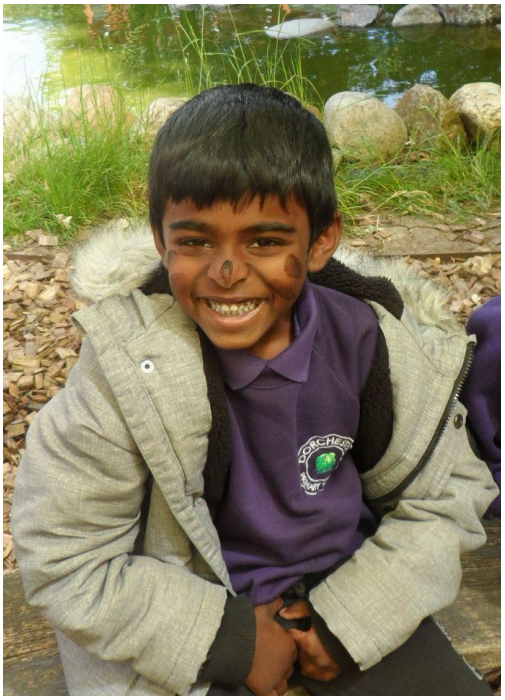

In Forest School we learned how to light a fire using: Heat, Oxygen and Fuel. We used a fire glove to touch the burning wood. How did it feel? Finally some of us painted our face with warrior paint!

Please share these photographs with your children and encourage them to tell you what they have learnt this week.

What are you proud of?

Please send in any WOW moments from home.

Day 4

Day 7

Our caterpillars are growing so fast!

Can you remember what is the next stage in the Butterfly Life Cycle?
