Achieving Excellence Together in a Caring Community

July 2024

Dear Parents and Carers,

It is that time of year where we take the opportunity to celebrate the successes and next steps for your child during their time in their current class. We are so proud of the progress all the children have made throughout the year and their report highlights their achievements and successes.

If your child is in one of the following year groups they will also bring home the following in the form of a paper report:

Reception	Early Learning Goal Report (All children)
Year 1	Results of the Phonics Screening Check (All children)
Year 2	Results of the Phonics Screening Check (Only children who did not meet the threshold of 32 in Year 1 or did not take the test in Year 1)
Year 6	End of KS2 Test results (SATS) (All children)

For other year groups, all their assessment data is included as part of their report.

For Year 6, their teacher assessment is also included in the report and the paper copy reflects their results in the tests. Some of the codes on these reports may be different to the ones you are used to seeing on their reports therefore you can see the equivalent names for each code in the table here:

Code on our Reports	Code used by DfE	What this means
GDS	GDS	Your child is working at Greater Depth than their age related expectation (for KS1 and KS2 Reading, Writing, Maths and SPAG)
EXS	EXS	Your child is working at age related expectation – please not that EXS is the highest grade given for all subjects excluding Reading, Writing, Maths and SPAG)
WTS	WTS	Your child is working towards the objectives in their year group
BLW	-	Your child is working at a level below the year group they are in
-	PKS	Your child is working at a level from the key stage below the one they are in
-	HNM	Used for Science only – your child has not met the expected key stage standard in this subject

Please take the time to sit and read the report through with your child, to share their successes and hard work.

As you will see from the report, your child's teacher has been very thorough in their description of your child's attainment and progress. If you want to discuss the report further, please speak to your child's teacher who will be able to give you a time slot on Monday 15th July between 3:30-4:30pm.

Please fill out the Google Form acknowledgement slip by **Tuesday 16th July** to show that you have received the report. There is also an opportunity on this form for you to make any comments if you wish. Please complete separate forms for each child as these will be collated by class.

<https://forms.gle/cTUHt6Qv8LiKam8t7>

I would like to take the opportunity to thank all the staff in school for their hard work with your children during this academic year and congratulate the children on all they have achieved.

Kind regards,

A handwritten signature in black ink that reads "C Bell". The letters are cursive and connected.

Cathy Bell
