

This week's learning

This week in Nursery the children have been looking back at everything that they have learnt over the last year. They have been using our Floor book photographs to prompt their memories and we were all astounded by the amount of knowledge that they have retained. The children who are moving to our Reception classes will take this floor book with them so that they can talk to their new teachers about their learning and then build upon this knowledge. The children who are staying in Nursery with us are excited to start a new floor book with their new friends in September. Our older children have also been developing their acting skills and confidence to speak to an audience as we rehearse for our end of year celebration.

If you have any questions or any WOW moments to share, please email us using the addresses below:

aglover13@suttonmail.org -Annabel Glover-Nursery Class Teacher, EYFS lead and Phonics Lead

mahmad68@suttonmail.org – Munaza Ahmad- Nursery Class Teacher

What have you been learning in Nursery?

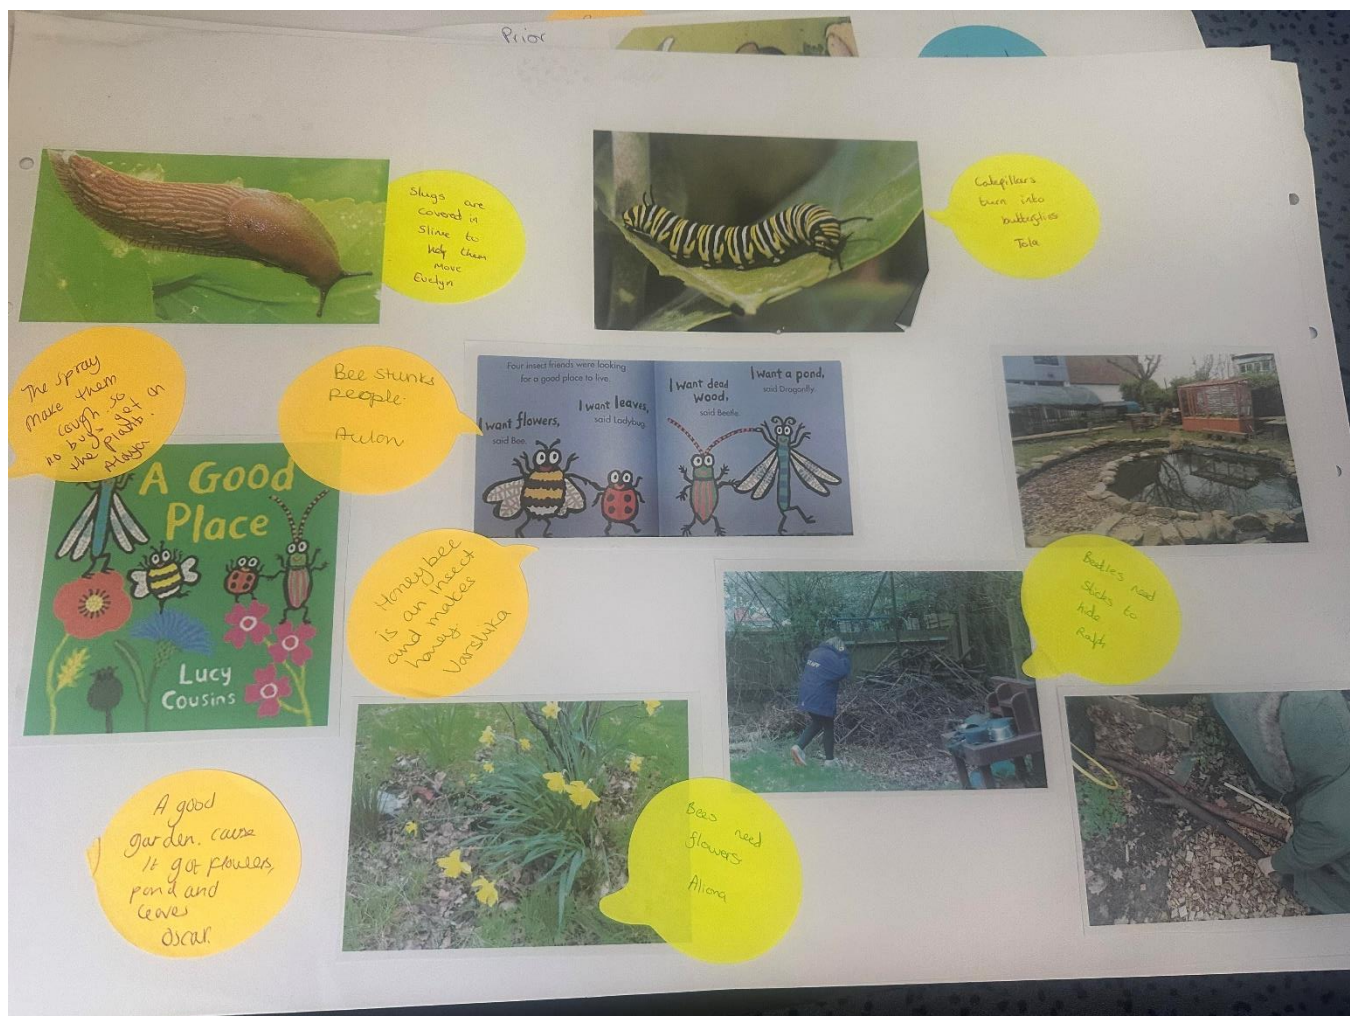

Please show your child these pictures and encourage them to talk about them.

Noisy neighbour,
please be quiet.
We are trying to sleep.

Ollie group have been working really hard to develop their phonics knowledge using different games to explore environmental sounds. One of the games the children have enjoyed playing is called 'Noisy Neighbour' - The children sit in a circle and pretend to go to sleep. The 'noisy neighbour' then makes a sound to wake them up and they have to identify what the sound was e.g. The noisy neighbour coughing or sneezing. Then they take turns to act as the 'noisy neighbour'.

We have been busy painting pictures to show you at our end of year celebration but these will be a surprise for the day. We have also been busy learning our lines and actions.

End of Year Celebration

Our Nursery '**End of Year Celebration**' will be on Monday 22nd July. We are hoping to have a family picnic from **12:15pm to 1:15pm**. If you would like to join us you will need to provide food for your child and yourself. Children who usually stay for lunch will be able to attend the picnic even if a family member is unable to attend. We will have our usual lunchtime supervision staff for this. Our **Celebration assembly will be from 1:30pm** (family members may take their seats from **1:15pm**). The celebration assembly is open to all of our Nursery families but please note, if your child is staying in Nursery next year they will not be part of this assembly, but of course they are welcome to sit and watch. Morning nursery session will run as usual on this day and end at 11:30am but we hope most of you will be able to bring your children back to join the celebrations. If your child attends morning sessions only, they will not be included in our ratios for the afternoon celebrations so a familiar adult will need to remain with them. **Please let a member of staff know as soon as possible whether you and your child will be attending.**

Important Notice

During our end of year celebration, you will not be able to take any photographs or videos. This is to safeguard children within our year group who cannot have their photographs shared. We will however, have a photograph backdrop available throughout the picnic time for you to use. You may take photographs of your child with their friends if their parents/carers are there to consent to this. If you are not attending the event but would like to consent to your child's photograph being taking by other parents I will need to be informed of this in writing via an email.

Important Dates

Thursday 18th July- Earlybirds Summer home learning ideas 8:30pm-9:15am or 2:30pm-3:15pm We would like to invite parents/carers to come and join us to share a variety of activities. This session will give you lots of ideas to support your child's learning over the summer holidays.

Monday 22nd July- Last day of Nursery and Nursery End of Year Celebration 1:30pm More details to follow nearer the time, parents/carers will be invited to join us. We are hoping to have a community picnic before the event but this will depend on the weather.
