

# Final Peek of the Week

## Things to know for next week:

- ★ Tuesday 23rd is the children's last day at school. Please pick up your children at 1:30pm from their classroom.
- ★ The platinum reading breakfast will be held on Monday at 9am so if your child has read every day and completed reading WOWs throughout the year then they will be attending this.
- ★ We will be handing out children's finished books from this year. The rest of them will be taken to their new classes to continue to be used next year. If possible, please could you put a bag inside your child's bag so that it is easier for them to bring their books home.

## Enquiry Question of the week

**Q:** What is the same or different about current planes and trains compared to the original inventions?

*A: Trains used to be powered by steam and now they are electric. They were originally used to move coal from the mines but now they are used for people. They now travel much further and much faster than before.*

## A summary of the year:

We hope you agree that your children have all made fantastic progress this year both academically and socially. They have all worked incredibly hard and should be very proud of themselves. They have represented themselves and the school fantastically - even when faced with challenges (maybe we will give Hever castle a miss next year!). Miss Chantler and I have thoroughly enjoyed working with all of you and your children this year and wish them the absolute best for next year. We hope you all have a restful and enjoyable summer and please don't hesitate to come and say hello and let us know how the children are getting on.
